

Collective Engineering™

Workbook – Eagle Excerpts

The Only Three Reasons that Work Does Not Get Done:

V _____

M _____

L _____

The symbol that resonates with me most strongly right now: _____

The next step on my path is: _____

I commit to taking the following action in the next 24 hours: _____

Evaluation

Session: **Collective Engineering™**

Date: _____

Top three reasons I decided to attend this seminar:

- 1.
- 2.
- 3.

The most important thing I learned today:

The action I will take at work this afternoon to apply what I learned:

The question I wanted to ask and didn't:

Work would be easier if I learned more about:

- | | |
|--|---|
| <input type="checkbox"/> Accountability | <input type="checkbox"/> Communicating Clearly |
| <input type="checkbox"/> Celebrating Mistakes | <input type="checkbox"/> Storytelling |
| <input type="checkbox"/> Collective Engineering Strategies | <input type="checkbox"/> Team Building |
| <input type="checkbox"/> Motivation | <input type="checkbox"/> Connecting with others |

Please rank the following in terms of value (1 = most valuable, 5 = least)

- Collective Engineering™
- Present Like a Professional
- Elevator Pitch Workshops
- CLEAR™ Leadership Mentoring
- Communication Skills for Business Networking

YES! I want to Think Like a Leader.
